Tulare County Office of Education Announces:

Head Start centers accepting applications for preschoolers

The Tulare County Office of Education's Child Care Educational Program is currently accepting applications for preschool enrollment at its Head Start and state-funded preschools.

Jim Vidak, county superintendent of schools, said the centers are now accepting preschoolers who are between 2.9 and 4.8 years as of Sept. 1, 2010. Some centers also accept infants and toddlers. Families must meet specific income guidelines and other eligibility requirements.

In addition to an education program, the Child Care Program also offers Head Start services including health, nutrition, special needs and social services.

For more information, contact the centers listed below or call the main office in Visalia at 651-3022.
