With **Good Vision** Your Experiences Are Clearer

When you use your VSP benefit for an eye exam, you're not only ensuring you see clearly, you're also helping to detect a number of serious health conditions such as glaucoma, cataracts and diabetes. Even cancer. Plus, eye exams for kids can spot problems that can impact learning and development.

With good vision, your experiences are clearer. Sharper. Brighter.

**85% of all
you experience
is through
your eyes**

Your eyecare benefit is brought to you by Self-Insured Schools of California and VSP.
