

**Tulare/Kings County P-16
Network for Student Success
Intent to Participate**

Because collaboration and participation is essential to increasing student success, all accredited public/private K-12 districts and schools interested in joining the network will identify a business or community partner. Districts not able to identify a current business and/or community organization should contact the project coordinator listed below for assistance.

All accredited post-secondary institutions including vocational, two-year and four-year colleges or universities serving Tulare and Kings County will be eligible for network membership. Post-secondary institutions will not be required to identify a business or community partner.

1) Education Entity Name:

2) CEO/Superintendent Name:

Contact Name: _____

Address: _____
