Tulare County Office of Education Announces: Head Start Centers Accepting Applications for Preschoolers

The Tulare County Office of Education's Child Care Educational Program is currently accepting applications for preschool enrollment at its Head Start centers. Jim Vidak, Tulare County Superintendent of Schools, says: "The centers are now accepting preschoolers who are between 2.9 and 4.8 years as of September 1, 2005. For families who qualify, this is a great opportunity to enroll in the Head Start program." Families must meet income guidelines and other eligibility requirements.

In addition to an education program, the Child Care Program also offers Head Start services including health, nutrition, special needs and social services. Children with disabilities are also encouraged to enroll. For more information, contact the centers listed below or call the main office in Visalia at 651-3022.
