

SAVE THE DATE

25th Annual Tulare County Science & Engineering Fair

Informational Meeting:

October 20, 2009
TCOE Boardroom, Visalia
(4:30 PM – 6:30 PM)

Event Date:

March 8 – March 15, 2010
Sequoia Mall, Visalia

The Tulare County Science & Engineering Fair displays over 250 science fair projects from students in grades 3-12. These projects recognize the outstanding effort and scientific achievement of Tulare County students. Science experts from a wide variety of fields involving both the private and public sectors judge the projects.

Now Students have the opportunity to compete in one of two different strands!

"DOING SCIENCE"

~ Experimental Science ~

where students do a traditional science fair project.

10 Project Categories:

- Behavioral & Social Science
- Botany
- Earth & Space Science
- Engineering & Mathematics
- Environmental Science
- Medicine & Health
- Microbiology & Biochemistry
- Physical Science
- Product Testing & Materials Science
- Zoology

"SHOWING SCIENCE"

~ Experiential Science ~

where students model, demonstrate or showcase a skill/concept in science.

3 Showcase Categories:

- Technology/Multimedia
(Video, Website, Powerpoint)
- Visual Display
(Display, Book, Poster/Brochure)
- Artistic Representation
(Music, Theatrical)

Opportunities abound for prizes and awards!
